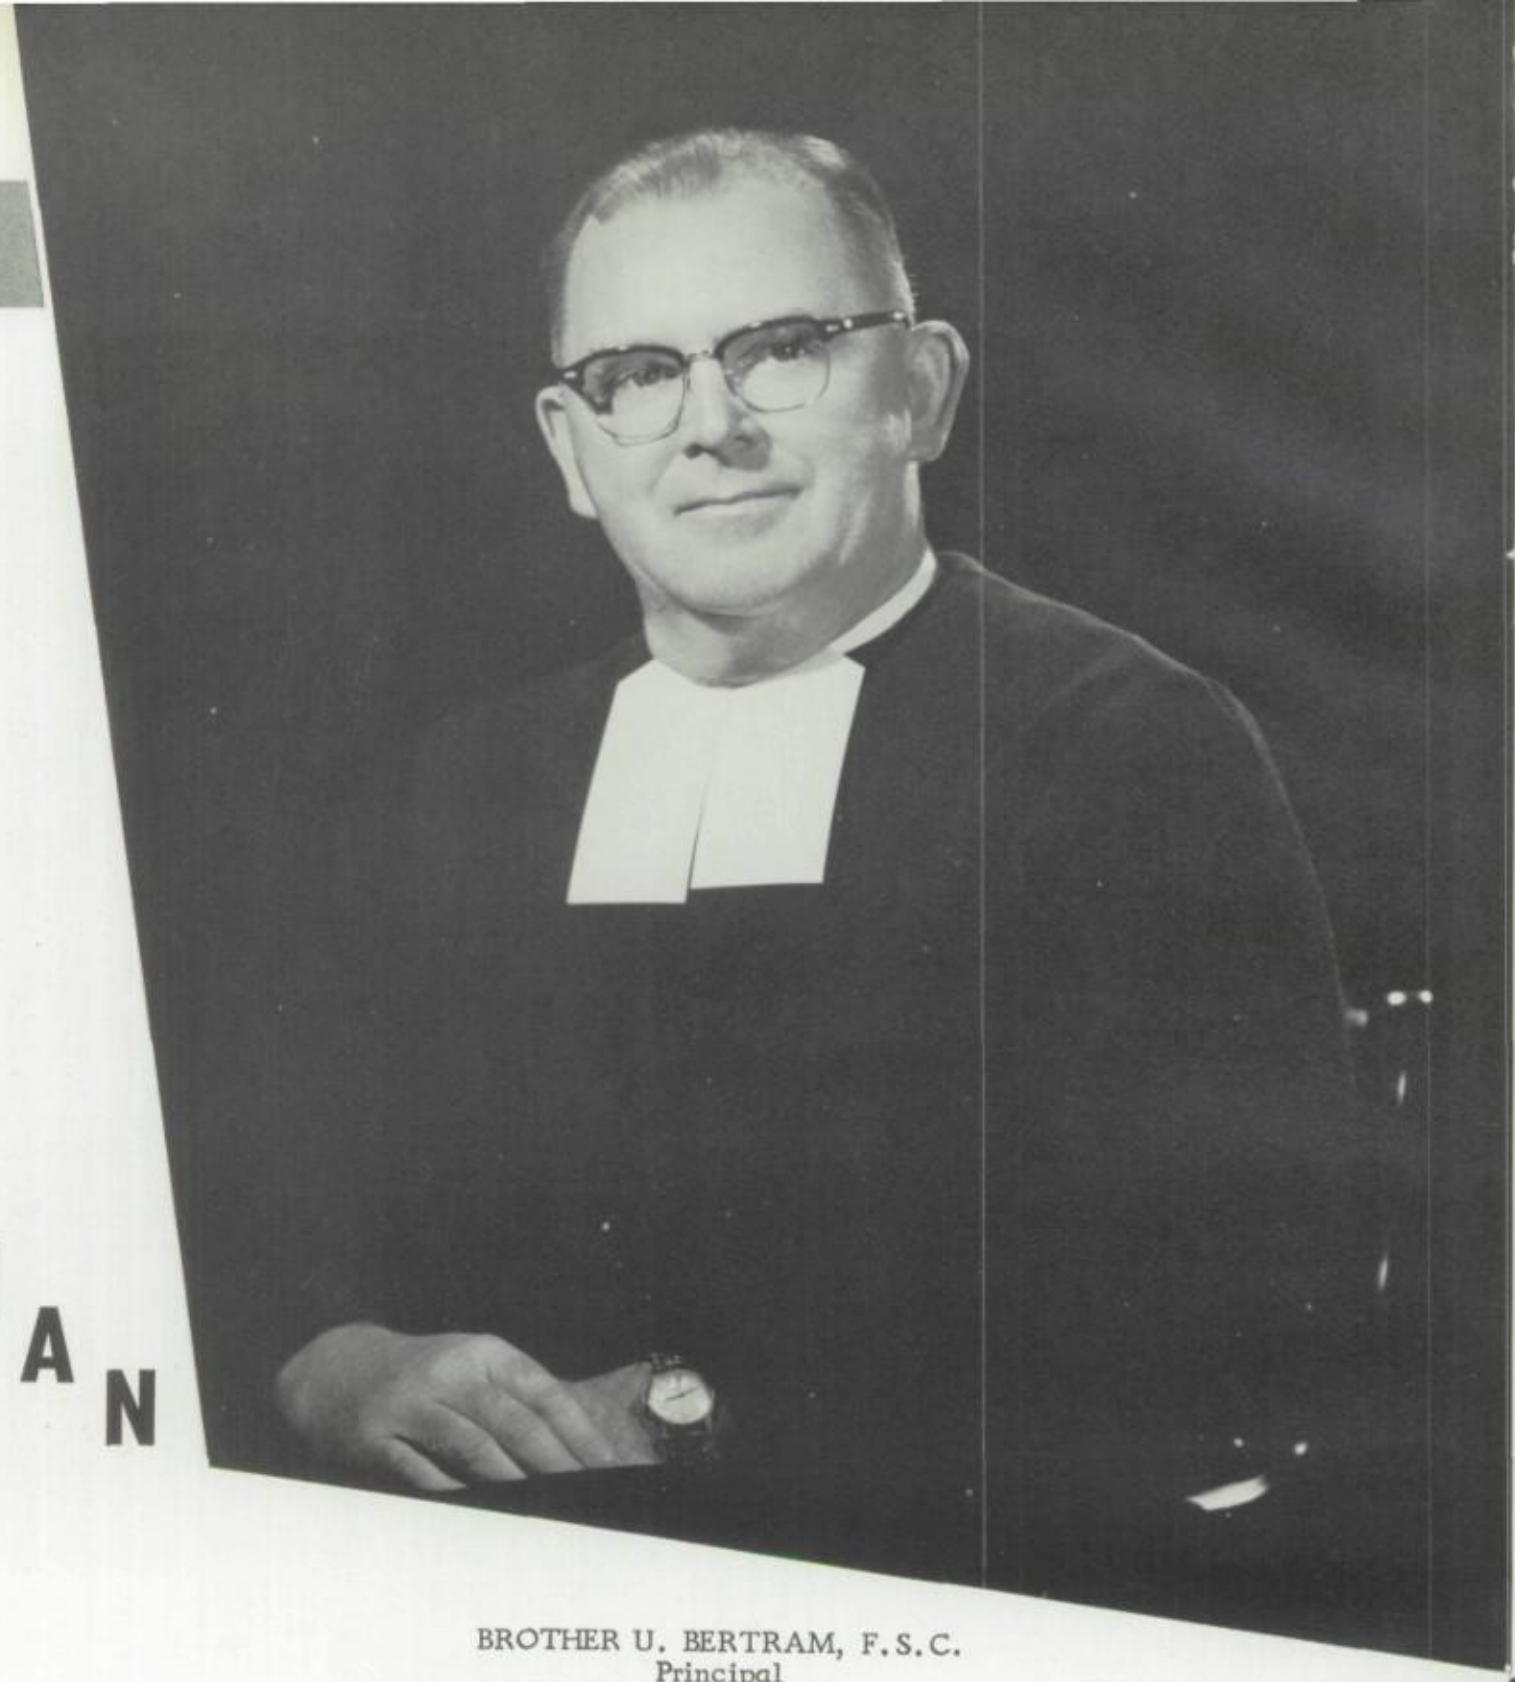
SILVER JUBILARIAN



BROTHER U. BERTRAM, F.S.C.
Principal

Brother Bertram joins in a friendly conversation at the senior bench.

We Dedicate ...

..... the 1958 CHIMES Yearbook to Brother Bertram, Principal of Cathedral High School from 1952 to 1958, not only for his outstanding devotion during these years to the boys of Cathedral High School but also on this his Silver Jubilee year as a Christian Brother.

Perhaps the most lasting impression he will have left with the students will be that ever present solicitude to make each one not only loyal to the ideals of Cathedral but in a certain sense to "Be Cathedral". By this expression, which he often used, he showed his keen understanding and appreciation for the spirit which alone is special to Cathedral.

Tireless and efficient have been his efforts in the administration of the school. Ever watchful for bettering conditions, he arranged the curriculum to fit the needs of the students and gave proper leeway to electives and extra-curricular activities while at the same time ever bettering the religious, academic and moral standards of the school. He has introduced an art department, metal shop, activity periods, dancing lessons; preserved the great cultural fete of the year, the Spring Concert; Communion Crusade, Circle C and Marian Society; saw to the revision of the Student Body Constitution; approved the Queen's Pageant and Ball; and organized a Guidance and Counseling program.

In a material way Brother has seen to many improvements, namely a new science lab, school offices, garages, locker rooms, lavatories, renovated library, landscaping and extension to the Brother's house.

Throughout his 25 years as a Christian Brother about half have been spent as an administrator and superior, first as Director of Scholastics at St. Mary's College, then as Principal of Christian Brothers school in Sacramento and now at Cathedral, thus giving proof to Brother's outstanding ability, not only as a Principal, but as an example of all those qualities most desired in a Christian Brother: a deep spirit of faith, exact obedience, success as a professional teacher, and a love for the salvation of souls.

Proof of the students heartfelt appreciation for all he has done came when they invited Bishop Bell to offer the Holy Sacrifice of the Mass and to present Brother with a Spiritual Bouquet, giving evidence of the one evidence of success a Christian Brother most desires--the prayers of his students which will win for him and for them the happiness of heaven.

Cathedral of Lourdes

ONE HUNDRED YEARS

Theme

What relation is there between Cathedral and Lourdes? The same bond that unites all to Our Blessed Mother prompts us to honor her in this centenary, since it is she who is the bridge between Christ and the world. This cosmos united in technology and science, is split in two by the ruthless chains of tyranny, sin, and false knowledge. In this age, when so much is said to be believable only on sight, it is gratifying to honor something that came about through the faith of a simple peasant girl, now a saint.

The celebration of Lourdes is a reason for the whole world to come back from the extreme of science to the supreme experience of Mary's vision.

Our Lady did not appear to Bernadette because she was a saint; rather, Bernadette became a saint because Our Lady appeared to her. For the remainder of her life, she obeyed in the fulness the message of Lourdes. She did penance and prayed. Her motive in obedience, in charity, in carrying her crosses was the great love she had for God and His Blessed Mother. Mere apparitions did not change her life-it was the acceptance of sorrow, the doing of heroic virtue that enabled her to scale the heights of sanctity.

The splendor of Lourdes lies not in the 15 million people attending the shrine this year, not in the spectacle of vast throngs, not even in the physical cures that sometimes occur there...

It has its significance in that Mankind is on its knees, that sufferers pray for other sufferers...the thousands that flock daily to Lourdes leave, maybe not cured in body...but cured in the spirit, full of praise and gratitude that God should allow His Blessed Mother to inspire the world.

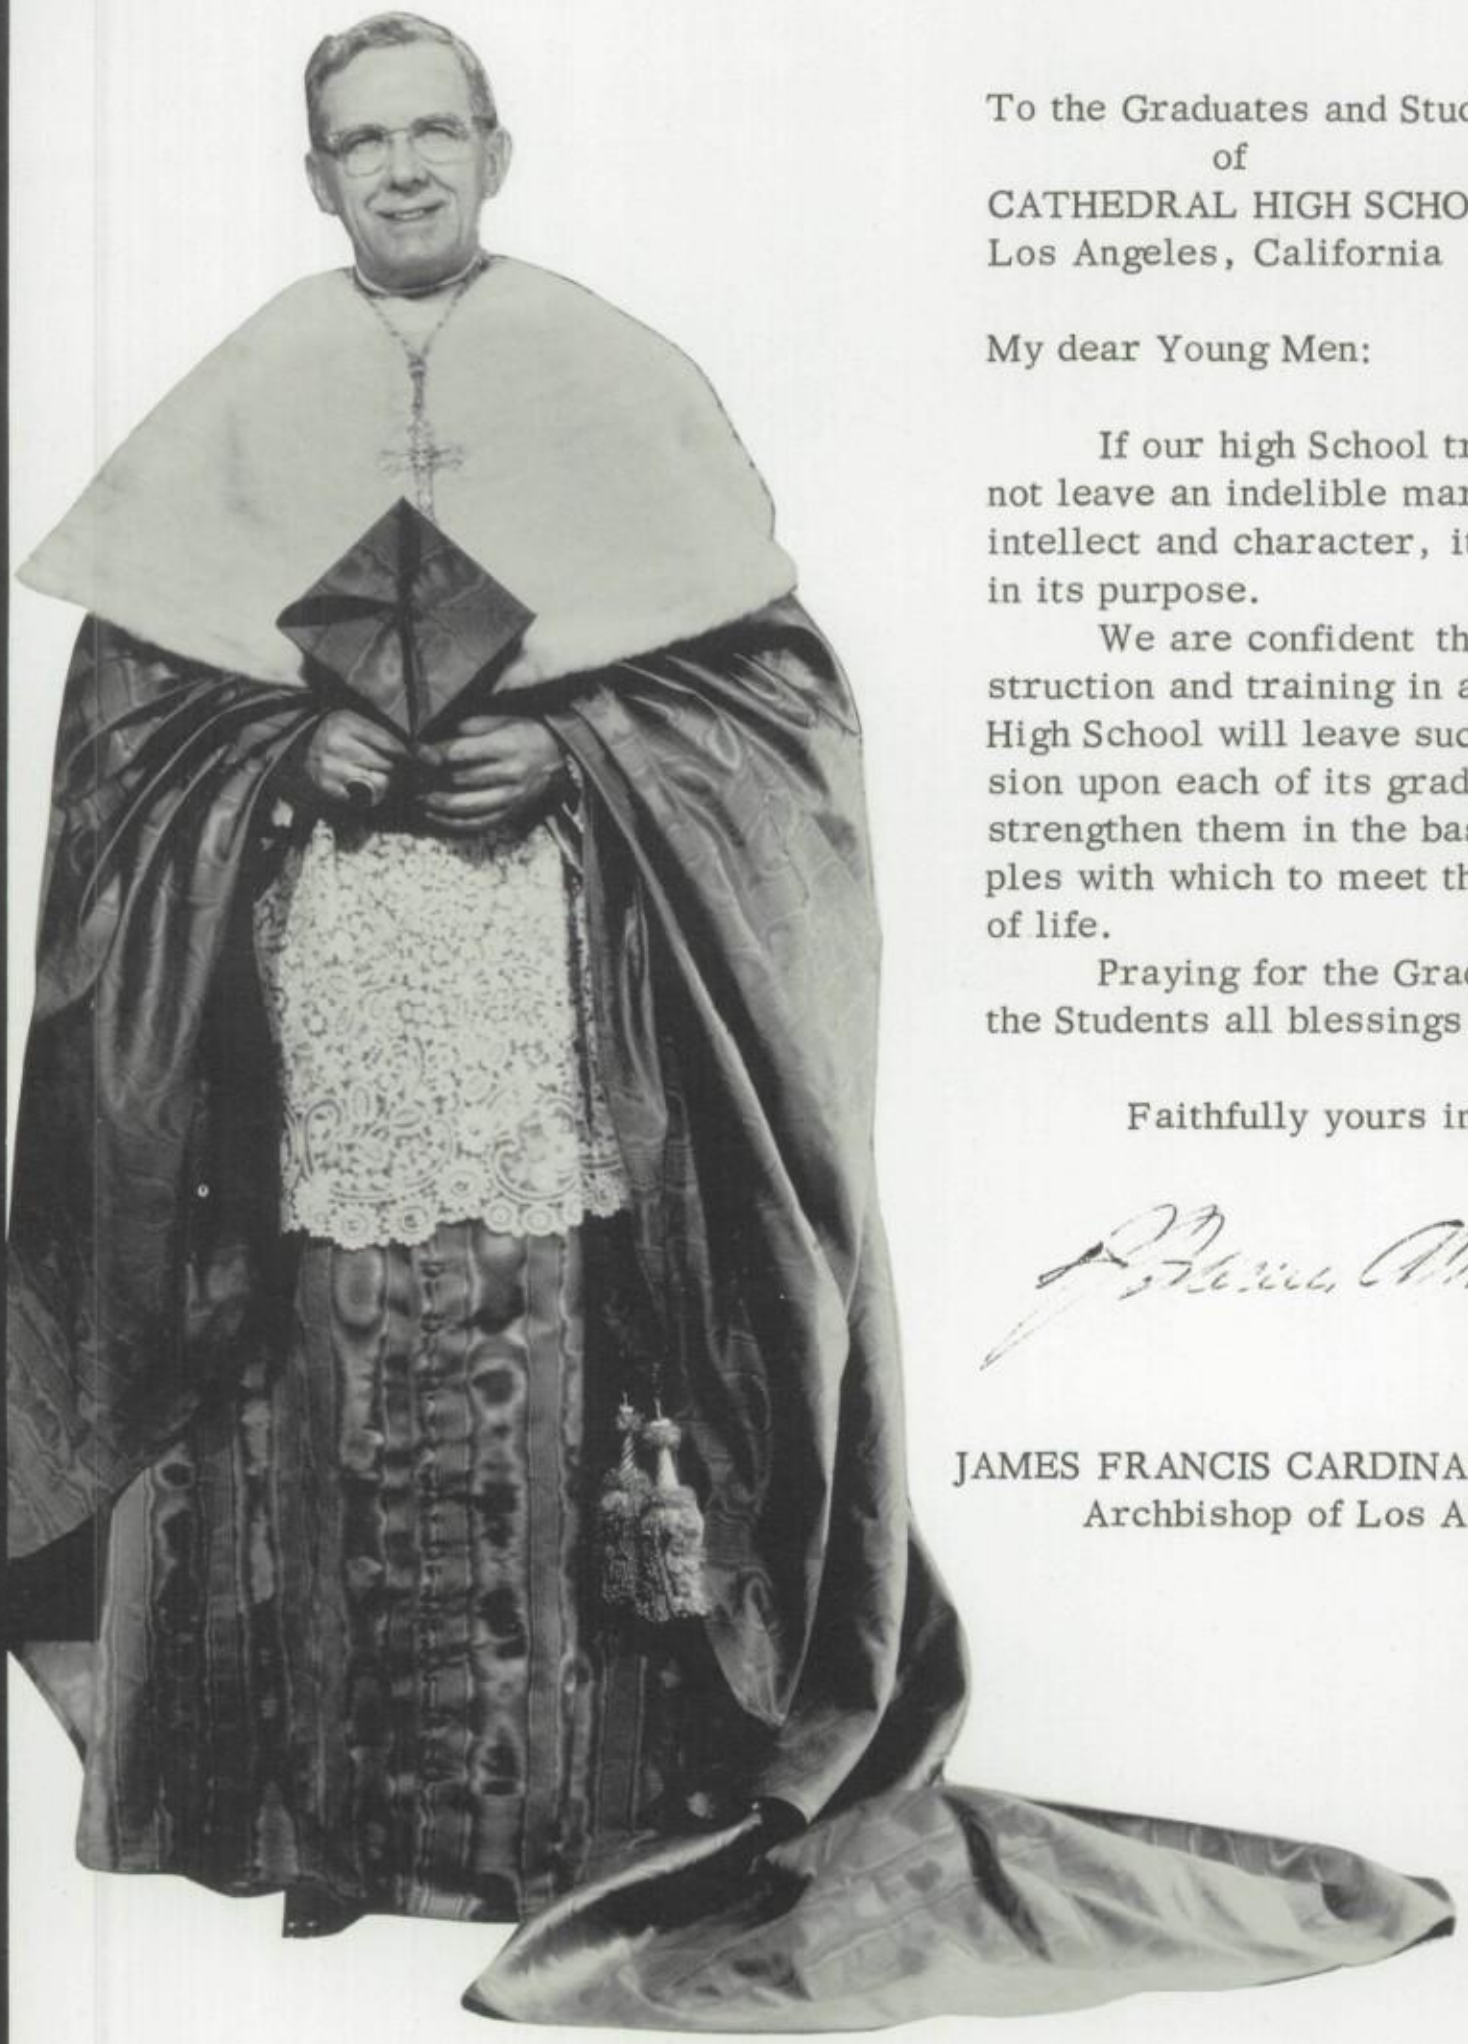
We are sanctified through Mary appearing in our lives. Through rosaries, shrines, and campus activities, our Blessed Mother offers us the vision of Her Son. Our voices are united in the Weekly Mass, where hymns of respect for Mary fill the Gym.

Our Holy Father, Piüs XII, has explained that through the miracles of her shrine, the Mother of God is keeping the supernatural destiny of man before the eyes of all men. It is fitting then, that we, spiritual children of Mary, should honor her, and more than that, reach God through her. The spirit of Lourdes must permeat our daily lives, no matter how humdrum our existence. It is with pride that the students of Cathedral High School share this celebration of the centenary of Lourdes with the entire world.

ADMINISTRATION

Mary brings a light and a vision to Bernadette. A message is given. This message is not to go unheeded. A religious educator does the same at Cathedral...He brings Mary, the Mother of God, to his students. He passes on the message by his example. He enlightens his students with the vision of learning the great source of help in Our Lady.

Ecce Sacerdos



To the Graduates and Students
of
CATHEDRAL HIGH SCHOOL
Los Angeles, California

My dear Young Men:

If our high School training does not leave an indelible mark upon our intellect and character, it has failed in its purpose.

We are confident that the instruction and training in a Catholic High School will leave such an impression upon each of its graduates, and strengthen them in the basic principles with which to meet the problems of life.

Praying for the Graduates and the Students all blessings, I am

Faithfully yours in Christ,

JAMES FRANCIS CARDINAL McINTYRE
Archbishop of Los Angeles

CLASSES

The Lessons of Lourdes are waiting for the whole world to learn: Penance and Humility must be acquired, for Mary reveals herself only to the humble, to the penitent. The Rosary must be used as a weapon for asking God's help. When Bernadette was being questioned by the committee, she answered all doubts with an unwavering power in simplicity.

In school, we learn the same lesson. Perseverance and humility will lead us to the Truth. The daily rosary expresses recognition of need for help in class. The weekly confession, clearing doubts, enables us to do penance. The weekly Mass gives meaning to our schoolwork.

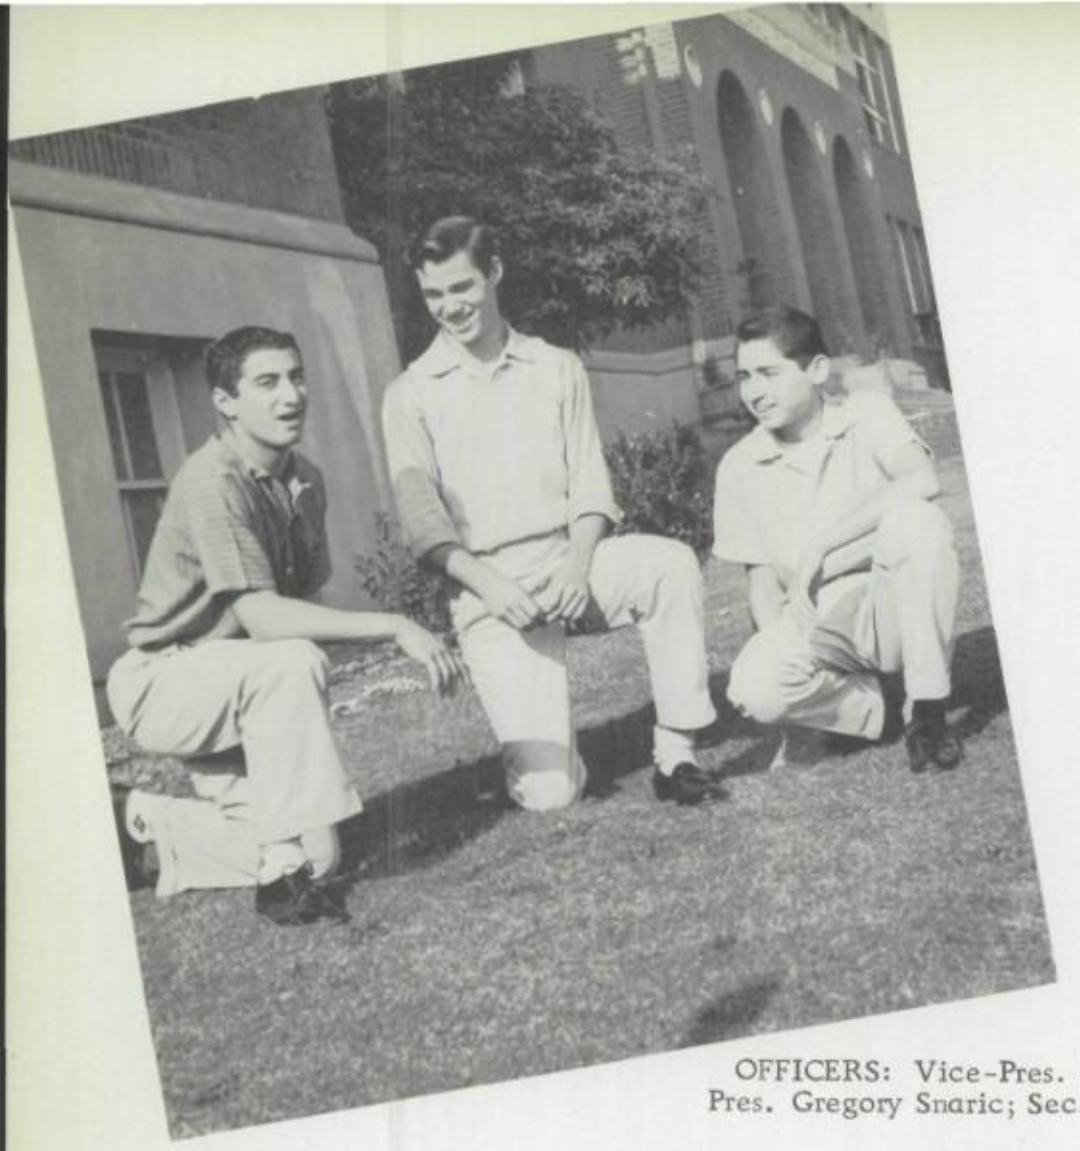
Sophomore 10-5



Starting the year with traditional Frosh Week, 10-5 helped in a valiant try, with Tony Rodriguez teaming with another sophomore to win the wheelbarrell race, as the Sophs swept the field events. Snaric and Grana helped contribute to the 26-0 win in football, and Fred Reyes dunked them in as they trounced the frosh in basketball, 24 to 8, but all was in vain, as the frosh won narrowly in total points. 10-5's spirit came to life in the Athletic Drive, as they took a second among the Sophomores. In football, they had 5 JV and Varsity players, the former being Richard Boring, Joe Mack, Cliff Schier, Tom Rendon and Frank Grana, the latter being Alex Ornelas and Greg Snaric. In cross-country Dave Lee and Mario de los Cobos lettered in JV's. The cagers lettering were Alfred Reyes and Hubert Moreno. In tennis, Grana made varsity, with Lee, Rudy Villanueva, and Al Etzel at JV. In intramural football 10-5 finished third, but bounced back in basketball, soaring to the top of the sophs, but only to meet their waterloo at the hands of 9-3. As academic class, 10-5 boasted the likes of Horst "A" Abt, Richard Hattori, Kenneth Okita, David Lee and Mike Pickering. It counted members on the Yearbook and Newspaper staffs and in the Marian Society. In the Brothers' Mathematics contest, 10-5 took 2nd.

Sophomore 10-4

1957-'58 has been a very prosperous year for class 10-4. Beginning with the football season, the class put forth gridmen on both teams. Shortly after this, the class placed starting men on the J. V. basketball team and members on the track team. Each of these individuals was excellent in his particular position. The lettering J. V. cagemen were Robert Sandoval and William Neria. Student-body Sergeant-at-arms and president of last year's 9-4, "Willie" is a good leader.

10-4 has excelled in many activities, such as the Glee Club, Chimes Paper, C. S. F., Dance Committee, and the Yearbook. Last, but not least, was the Speech and Debating group, which was under the direction of homeroom teacher Brother Gordian. A few members of the class took part in this activity, one of them being the only sophomore cheerleader. While taking Life Science with Brother Leonard, the class purchased a fine aquarium, which is in classroom 201. Also obtained through class efforts were two beautiful pictures, one of Our Lady of Guadalupe and the other of Our Lord.

George Cano

In the Athletic drive, 10-3 started off in first place among the sophomore classes. After staying on top for a while they fell to third place. They came in about $100 away from their quota. In the mission drive, they were above average.

With the year half gone, they had a fair amount of money in the treasury. With this money they did three things: they went on a trip, had a party, and gave part of it to a worthy cause.

Sophomore 10-2

Class 10-2 started the year '57-'58 by decorating the homeroom statue of Our Lady of Fatima. This worthwhile endeavor became very successful under the leadership of Adolph Jonke.

At Christmas time, the class decorated, with the help of Brother David, a stable representing the birthplace of Christ. During intramural football and basketball season, the competition was just a bit too much and 10-2 lost as many as it won. In track, the class made a reputable showing, and the leading runners were Louie Arviso and Richard Barron.

In the Athletic Drive, the class finished last. Class dues were punctually collected and an outing was held to end the year. Honor roll students to date have been Darryl Finks, Frank Funaro and Adolph Jonke.

Through the year, the class participated in many activities, such as: the Tidings drive, intramural sports, and Athletic Drive. At least three or four of the class received Honor Roll cards and testimonials. 10-1 had participants in the band, the Chimes Paper, and the Glee Club. In sports, 10-1 was well represented, having four men who lettered in Varsity Football, Baseball or Track, plus many who lettered in J.V. sports.

At the end of the first semester, John Ferraley and Rudy Padilla made their way into the C.S.F. Both were then elected to serve as members of Committees sponsored by the C.S.F.

10-1 took a lead over two other Sophomore classes by taking 11th place in the District of San Francisco Mathematics Examinations. This position preceded 15 other Sophomore classes of the Christian Brothers' schools in California.

Freshmen 9-5

During Frosh Week, 9-5 was represented by a rock and roll singing group, and by a comedy team in the rally. In sports, five boys from 9-5 played basketball for the Championship Cee Team. About six held starting positions in J. V. Baseball.

Academically they proved strong contenders each quarter for the C. S. F. plaque. Usually making the honor roll were: Connel Persico, Sam Doyle, Glenn Isihibashi, Joseph Takahashi, James Meegan, Jose Rocha, John Barrione, and Wojtek Makowski. Makowski and Takahashi made the C. S. F. honor society.

There were five representatives from 9-5 on the debating team. Two of them, Wojtek Makowski and Richard Cruz, received certificates for their debating ability. Many were in Journalism. In the athletic drive, 9-5 came in second in the school behind 12-4 with 111%. For selling their quota and taking first among the freshmen, they went on an outing to the beach at the close of the second semester. In Intramural Basketball, they were defeated by the champions of the school, 9-3, by a scant 3 points. One of the class projects for the year was bringing flowers for the shrine of Our Blessed Mother. In the Mission Drive, they averaged at least $2.00 per day.

Mr. Sandoval and Mr. Sampson, please accept 9-4's sincerest thanks.

Robert Ruiz also played C. basketball. Six ran track: Navarro, McKinney, Martinez, Arvizu, Flores, and Valencia.

From the academic standpoint, three members made the honor roll. These were Navarro, Jackson and Santos. Six received testimonials. In the realm of fine arts, 9-4 was often complimented by Mr. Gene Parker, dancing instructor, as being the best dancing class in the school.

On May 15, 9-4 held its class beach party which turned out very successful. We only hope this class will remain together until the day of graduation.

V. football and are going to try out for Varsity next season. Gerald Chavez was one of two freshmen who lettered in J. V. Cross-Country.

9-3 won the intramural basketball championship with the team of: David Metoyer, Richard Doria, Joe Coria, Troy Danford, and Lee Colca. The best freshmen solo singer, Joe Torranueva, also played in the Band.

The following boys from 9-3 lettered in Bee and Cee basketball: Joe Coria, Troy Danford, Lee Colca, Richard Doria and David Metoyer. At the February deadline, ten boys were trying out for track and seven more were out for J. V. baseball. Freshmen 9-2

As the freshmen from 9-2 came under the banner of Cathedral, many were determined to try their ability in sports and competitions between classes.

Of these freshmen, the following excelled in sports: Eddie Bertrand, Gene Gesuale and Armando Garcia in J. V. football.

In basketball, 9-2 representatives were Gene Gesuale, who led in points scored for the second round of the J. V. schedule; Eddie Bertrand, who played B's and did a very good job until his knee was injured; Joseph Saenz also represented 9-2 in B Basketball. In Intramural Sports 9-2 was fair in basketball and very good in track.

9-2 took third place in the Mathematics tests out of all Freshmen Classes in the Brothers' California Schools. The class improved scholastically under the direction of its teachers: Brother Clarence, Homeroom, Religion and English; Mr. Salter, Algebra; Brother David, Literature, Spelling; Brother Luke, History and Mr. Sampson, P.E.

By the end of the first quarter, four of the class had made the honor roll and ten received testimonials. On the honor roll were Thomas Garcia, Richard Meraz, Javier Perez and Everett Stanton.

Freshmen 9-1

9-1 started off the year by taking 11th place in the Athletic Drive. Robert Miramontes and Augustine Jauregui showed a lot of fight which helped to win the traditional Soph-Frosh week for the freshmen.

With a late start, it had $5.00 in the class treasury at the February deadline. This money was used for a class activity, a party and motion picture.

Scholastically speaking, 9-1 had members on the Honor Roll. They were Robert Acosta and Michael Pesqueira.

Athletically it has achieved distinction in many teams. On February 18 started intramural track, and 9-1 took second place by winning the 100 and 180 yard dashes. Raymond Recendez played hard on the J.V. football team and the Bee basketball team, and Bill Arvizu on the Cee basketball team. Arturo Jauregui showed his ability in Cee basketball by his 10 points against Serra.

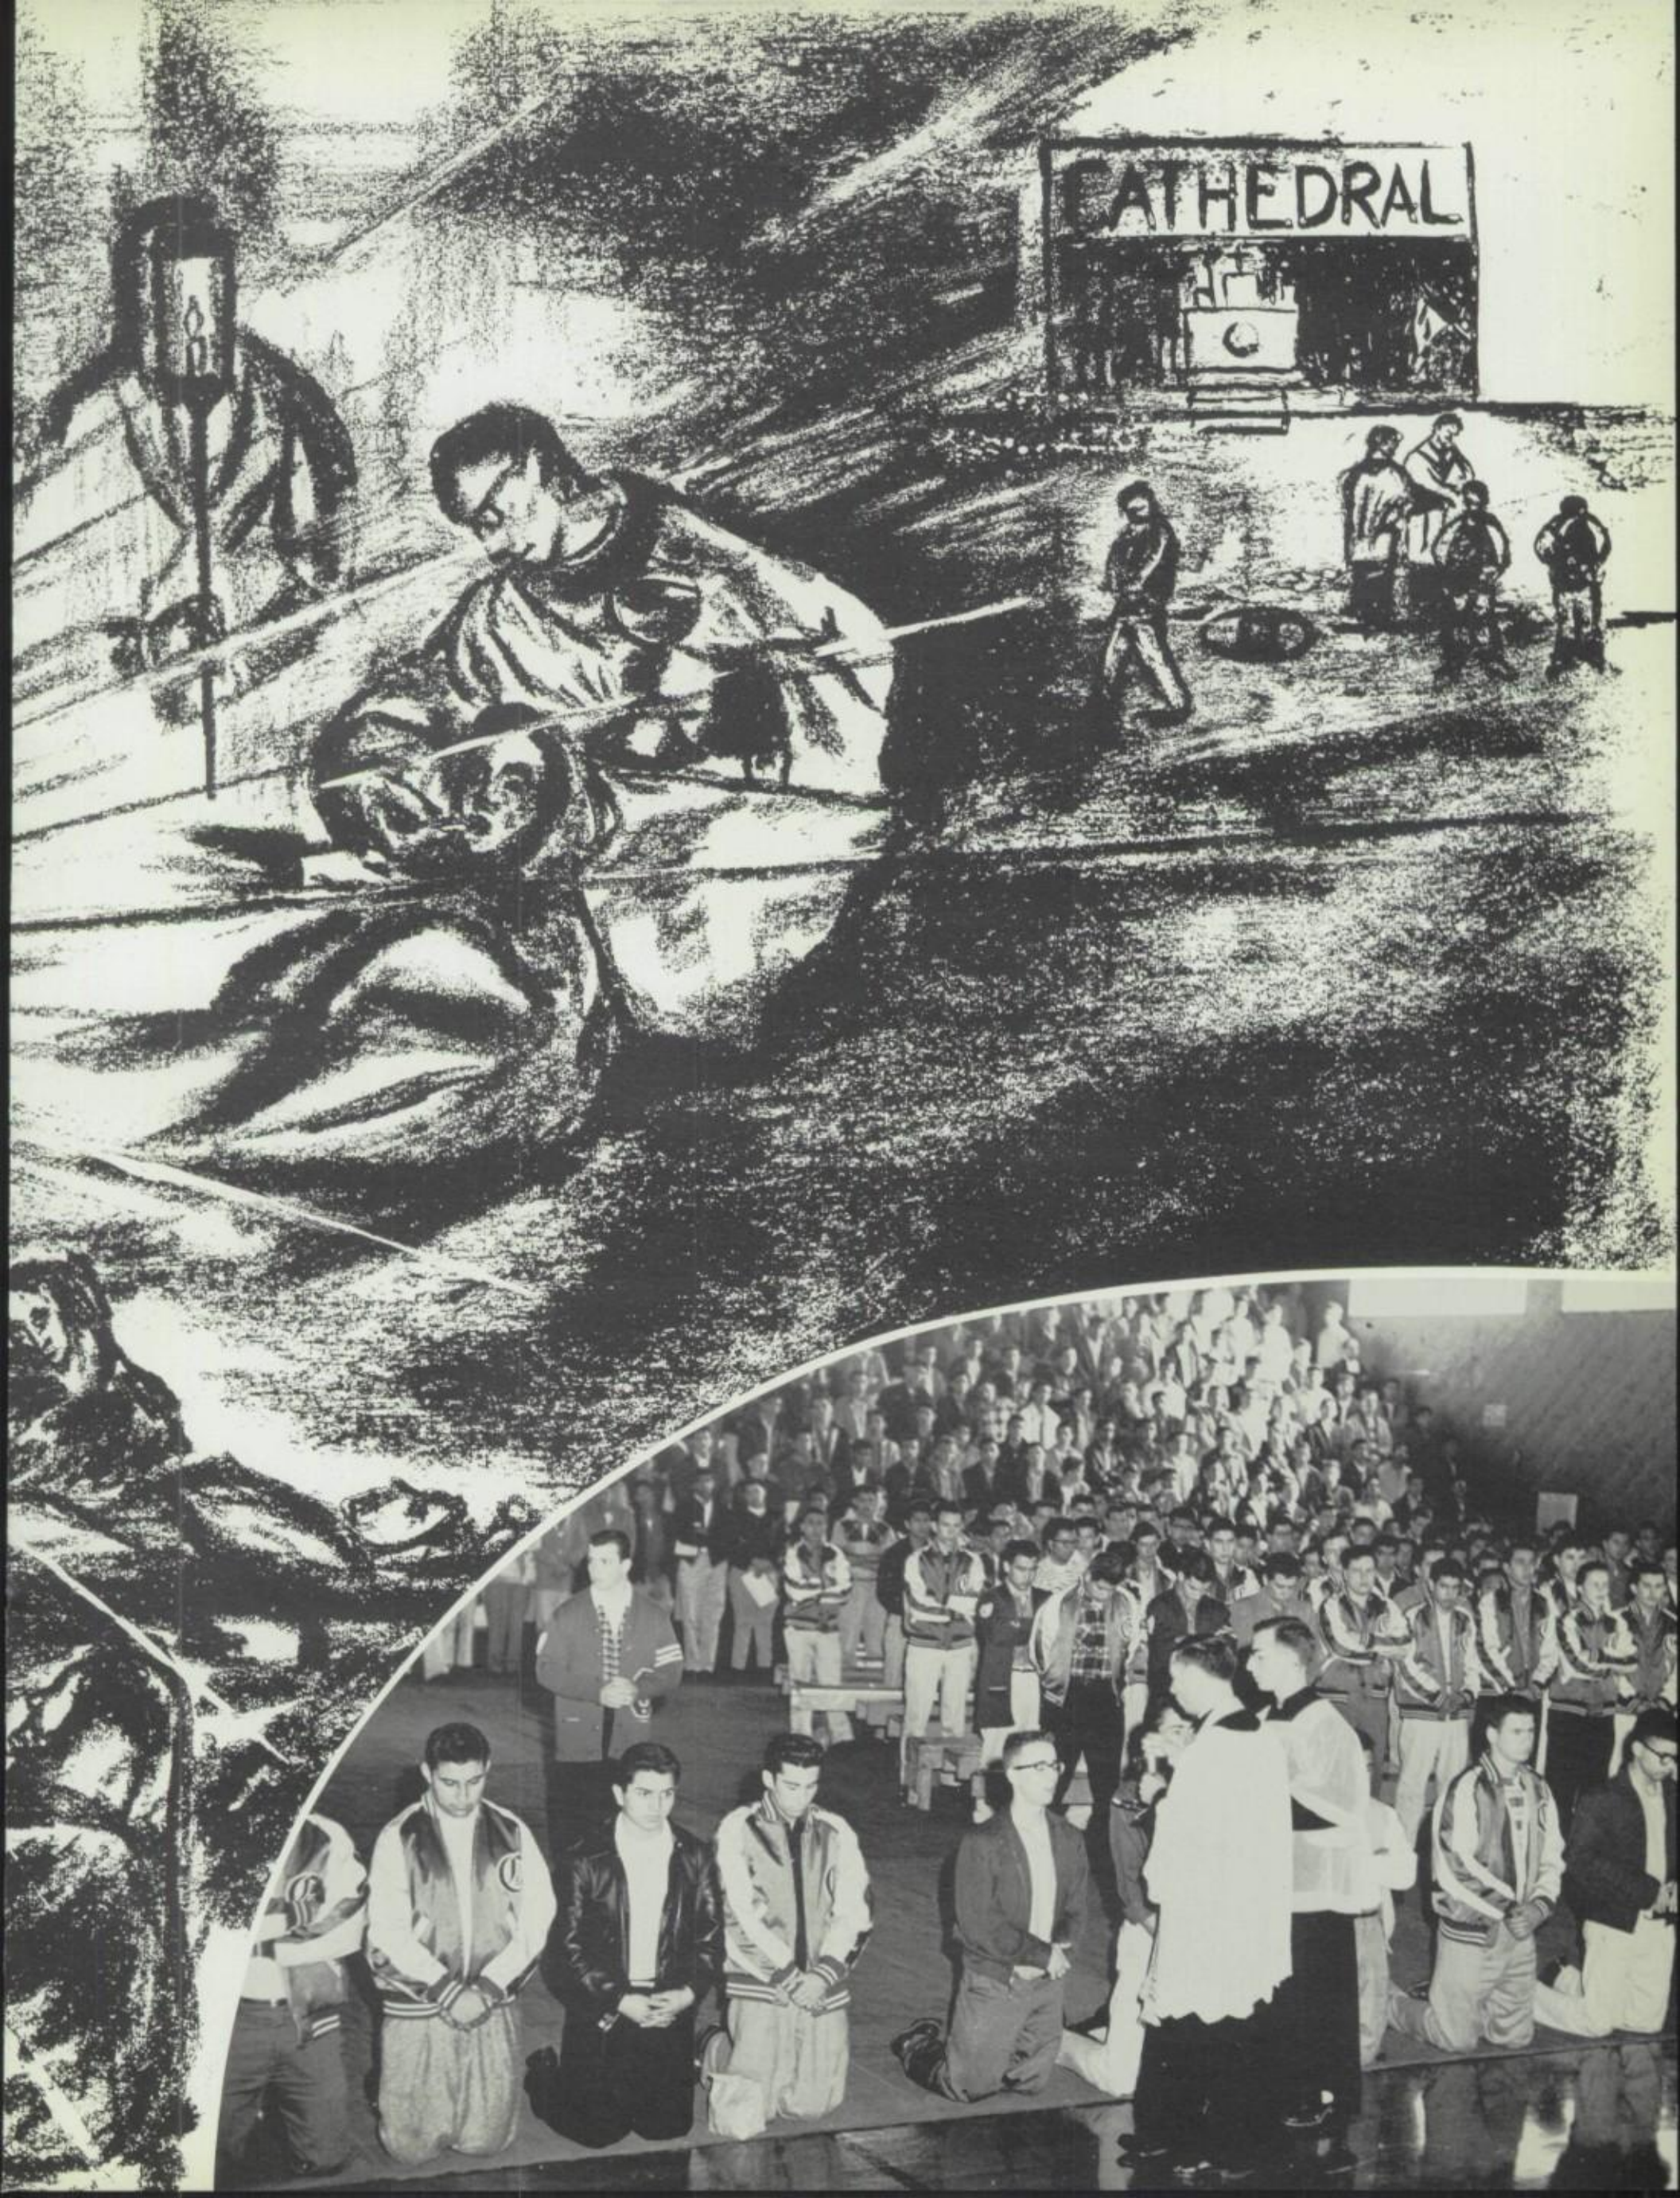
ACTIVITIES

At Lourdes, the activities are varied: visits to the shrine, outdoor Mass, rosaries, Benediction, attendance at the Shrine Cathedral. The activities are planned to lead one to appreciate the marvel of God's providence and Mercy. How rejoicing to a pilgrim, to venerate the ground on which the Mother of God appeared!

In a similar manner, at Cathedral, all activities are planned for the uplifting of the student. The Weekly Mass, the Communion Crusade, the various activities such as Frosh Week, Queen's Pageant, the Athletic Drive, all are done for the greater glory of God, by asking Mary to take our actions to Jesus.



CATHEDRAL

Growing In Wisdom Age And Grace . . .

Rev. Father Charles Guilfoyle, C.P., elevates the Blessed Sacrament during benediction at the student retreat in September.

Primary in the purposes for which Cathedral strives during the process of forming boys into Christian gentlemen, is a consciousness of the importance of living in God's Grace and remembering His Presence everywhere. In the classroom, in athletics, in the weekly Student Body Mass, God is recognized as the ultimate aim of all endeavors. Through the Daily Rosary, the various prayers before and after class, and the example of the faculty, devoted to helping boys save their souls, all efforts are offered to God in an act of Worship.

This year, daily Holy Communion in the Brothers' Chapel, and retreats highlighted the spiritual activity. In September, the students were immediately led to make plans for a successful school year by means of a retreat held under the guidance of Father Charles Guilfoyle, C.P. During the months of November, December, and January the Seniors found themselves in the solitude of the Sierra Madre Retreat House, where they made serious reflections on their Spiritual Life. At mid-year, the end of January, once more prayer and silence became the total atmosphere of Cathedral as Father Joel, C.P., reviewed the last ends of life.

Father Torra, student body Chaplain, made himself available for counseling, Confession, and frequent visits to classes; his mind on Spiritual matters was revealed, not only through weekly sermons at Mass, but also through his monthly column, "Our Padre Speaks".

Freshmen 9-5 followed the same day with their quota which finally hit 108%. Other classes reaching their quotas were 12-3, 11-3, and 9-3. The Seniors as a unit were outstanding, reaching a high of 95%.

Under the guidance of Chairman Art Melendres, Cathedral successfully held its 4th annual Queen's Pageant.

Contestants were chosen from Queen of Angels, Immaculate Heart, Ramona Convent, Loretto, and Holy Family high schools. Elections were held with the votes of the student body counting 40% and the Pageant Committee's vote counting 60%. The outcome was kept a well-guarded secret for many weeks.

Finally, the suspense ended with our homecoming game at Cantwell. At half-time, her majesty Miss Cathedral 1957, and her royal court were presented to the Phantom rooters. Arriving in shiny '57 convertibles, they were enthusiastically hailed by the eager fans. Her majesty and her court then took their places in the stands, posed for pictures, and enjoyed the latter half of the exciting football game.

A week later at the Queen's Ball, Miss Cathedral was crowned, and she and her court were presented with trophies.

ATHLETICS

In the year 778, a Saracen warrior, named Mirat, defending the stronghold of Mirabel in the city now called Lourdes, vowed he would never surrender to a human being, though he was hopelessly surrounded by the forces of Charlemagne. But the bishop of the locale told him of a Lady, a wonderful Lady, to whom he could surrender. Upon facing Our Lady, the Saracen presented his arms to the Queen of Heaven. Won over by the charms of this Queen, he was baptized and took the name of Lorus, from which comes the name of Lourdes.

In Sports, the Phantoms fight, dig in, play hard, all in surrender to the Will of God. The chapel is the source of courage and spirit for athletic contests. Many times is the name of Mary evoked by the lips of an athlete-in the Rosary, a Hail Mary, Our Lady of Victories. The Cathedral spirit shown by the athletes stems from a dedication to the school, from a loyalty higher than any mere human basis, from a renewal of all effort for God.

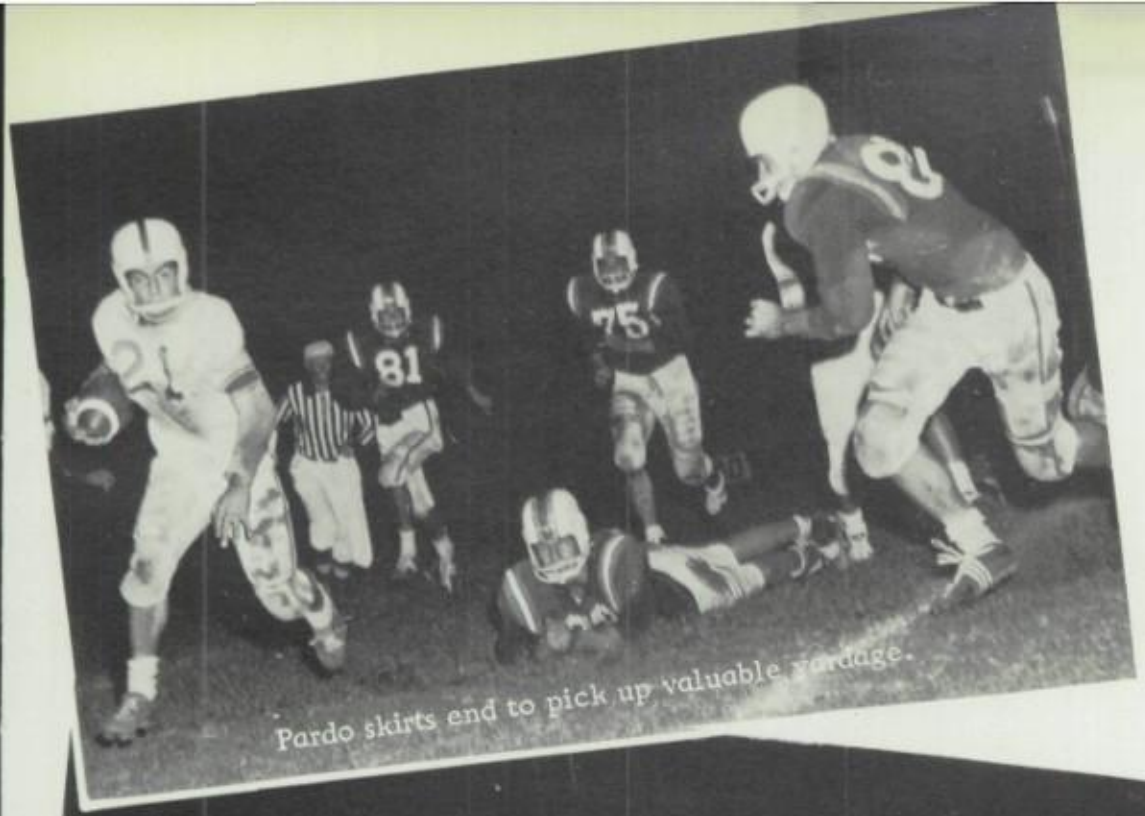
ST. ANTHONY'S

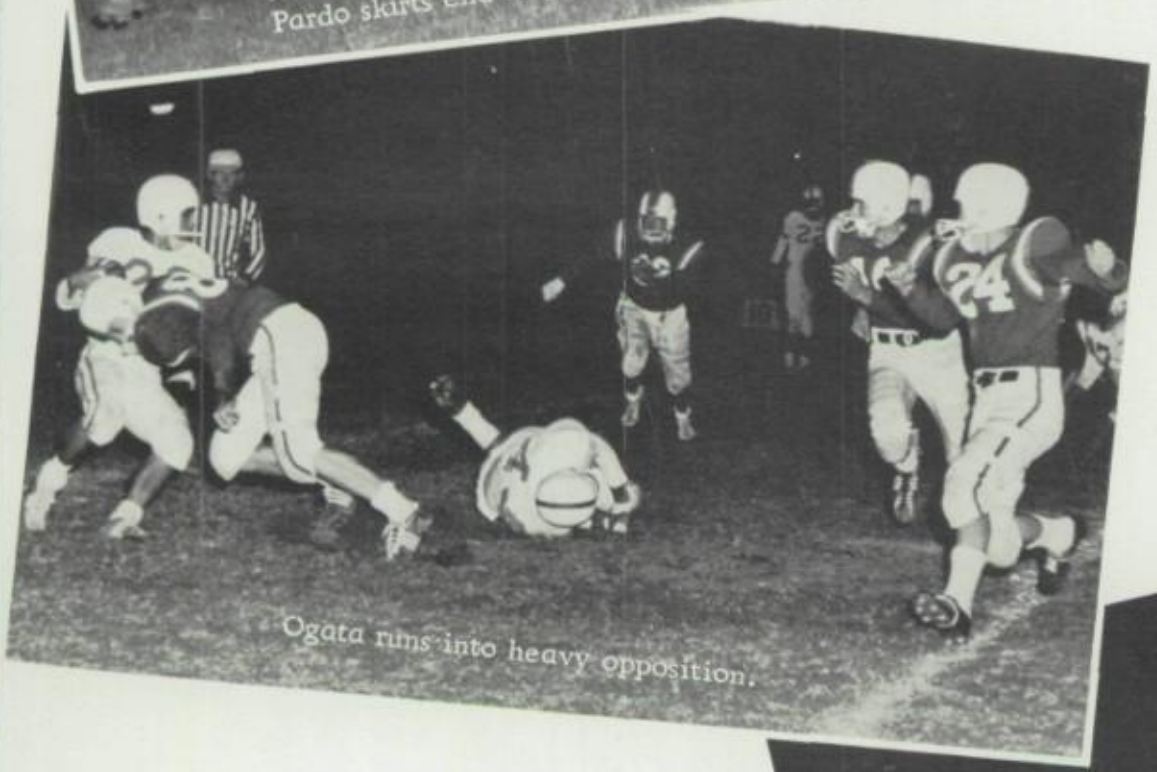
.... *Outplayed*

Once more the breaks proved too much for the Phantoms. In the statistics Cathedral far out-played St. Anthony's. Rated as the underdog team, the Phantoms started off surprisingly by scoring after a steady drive with Disarufino pushing over from the two. Navarro's kick made it 7-0. Finding a weak spot at defensive left end, the Saints in one run scored from 50 yards but failed to convert thus making it 7-6. The breaks came for the Saints in the second quarter when they blocked a Cathedral punt recovering it on the four which lead to a score and an intercepted pass which went for thirty yards and a score. The second half saw a deadlock with neither team being able to make further points. Tony Abdalla was the leading ground gainer for the Phantoms.

Phantom back comes within one yard of goal.



Pardo skirts end to pick up valuable yardage.



Ogata runs into heavy opposition.

PIUS X

. . . . *Surprise Foe*

Cathedral's Phantoms found in the Pius Warriors one of its toughest opponents. Upon receiving the kickoff, the Phantoms passed and ran to register the first Cathedral touchdown being made by a pass from Disarufino to John Hayes. The second T. D. came on a three yard run by halfback Ken Ogata. It wasn't until the fourth quarter that Pius was able to score which came on a 25 yard run. Thus the game ended 12-6.

Ortega (45) comes to the aid of Abdalla.

SERRA

. . . . *Too Much*

Serra scored first, in the second quarter, on an 18 yard run. Following the kickoff, Cathedral scored on a 12 yard pass from Disarufino to Hayes.

With the extra point the score was tied. On a surprise fourth down play, Serra halfback Gonzales ran to a 72 yard tally to make the score Serra 13, Cathedral 7.

Not to be outdone the Phantoms scored immediately when All-Catholic halfback Ken Ogata took the kickoff and behind ideal blocking raced 99 yards to a touchdown to tie up the game 13-13.

In the second half, Serra scored three times.

The final score was registered by Disarufino on a quarterback sneak. "Bullet" completed 12 of 17 passes in the contest. The Phantoms lost for the first time in league history to Serra, 32-19.

Dunkel & Gusuale lay key block as Phantoms score.

NOTRE DAME

.... Easy Win

For the fourth game of the C.L. Campaign, the injury-ridden Phantoms went to Sherman Oaks, to defeat the Knights of Notre Dame, 26-14. Playing without any first stringers Tony Abdalla, Hank Chavez, Dan Grady, Ken Ogata, and Cosmas Williams, the Phantoms employed reserve strength to defeat Notre Dame.

Notre Dame drew first blood on a two yard plunge by Shugel; the Phantoms scored twice in the second quarter, one tally coming on a six-yard run by Sam Navarro, and the second on a 45 yard pas-run from Disarufino to Hayes: Navarro added both PAT's and the Phantoms were ahead. In the second half, Cathedral scored on a T.D. by Disarufino, while Notre Dame was held to one tally, which came in the final period of the contest.

On the offense Disarufino, Pardo, Venegas, Tamayo, and Navarro and Hayes shone, while All-Catholic players Joe Sciarra and Martin Morales, and Bill Frawley, whose block of a punt set up a first quarter tally by Pardo, were outstanding on defense.

Pardo proves too fast for Knights.

MOUNT CARMEL

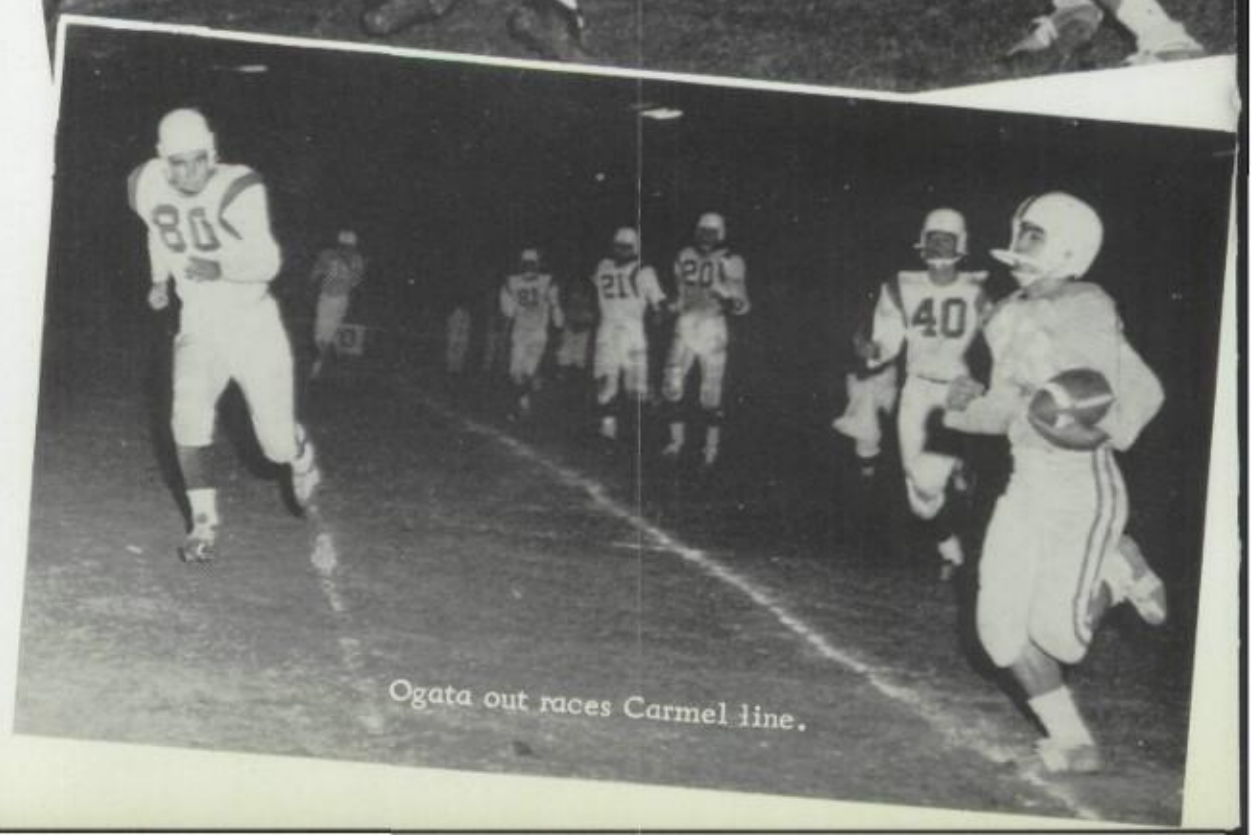
.... Could Be Beaten

In the fifth game of the season, the Phantoms hosted Mt. Carmel, eventually C.L. champions, and before the final gun sounded, the Crusaders felt lucky to win.

Mt. Carmel scored first on a pass to Jim Brown. However, the Phantoms came right back on a touchdown by All Catholic Raul Disarufino.

The Crusaders scored again on a run by halfback Al Katz, who consistently gave the Phantom defense trouble. However, halfback Ken Ogata fooled the Crusader defense on a slant run and scored standing up to bring the Phantoms up to within one point of the Crusaders; the PAT tied the score at 13-13.

The Crusaders won on a touchdown by Hank Moraga; however, the Phantoms nearly scored on a recovered fumble, but the final gun sounded, and the score read Mt. Carmel 20, Cathedral 13.



Ogata out races Carmel line.

LOYOLA

.... Subdued

Although Loyola was having one of its worst seasons, once more the traditional Phantom-Cub contest was fiercely fought. As a surprise for the Phantoms, the Cubs went into a spread formation that for some time kept Cathedral confused. The Loyolans struck first, scoring after a long hard drive, but failed to convert. The Phantoms went ahead 7-6 shortly afterwards. The final scoring of the contest came by Kenny Ogata diving from the one and Navarro making the extra point. The cubs threatened several times to put together a drive but the fast rushing of Cathedral's line cut their spread formation and caught the quarterback several times. Ogata was outstanding with 200 yards total for rushing.

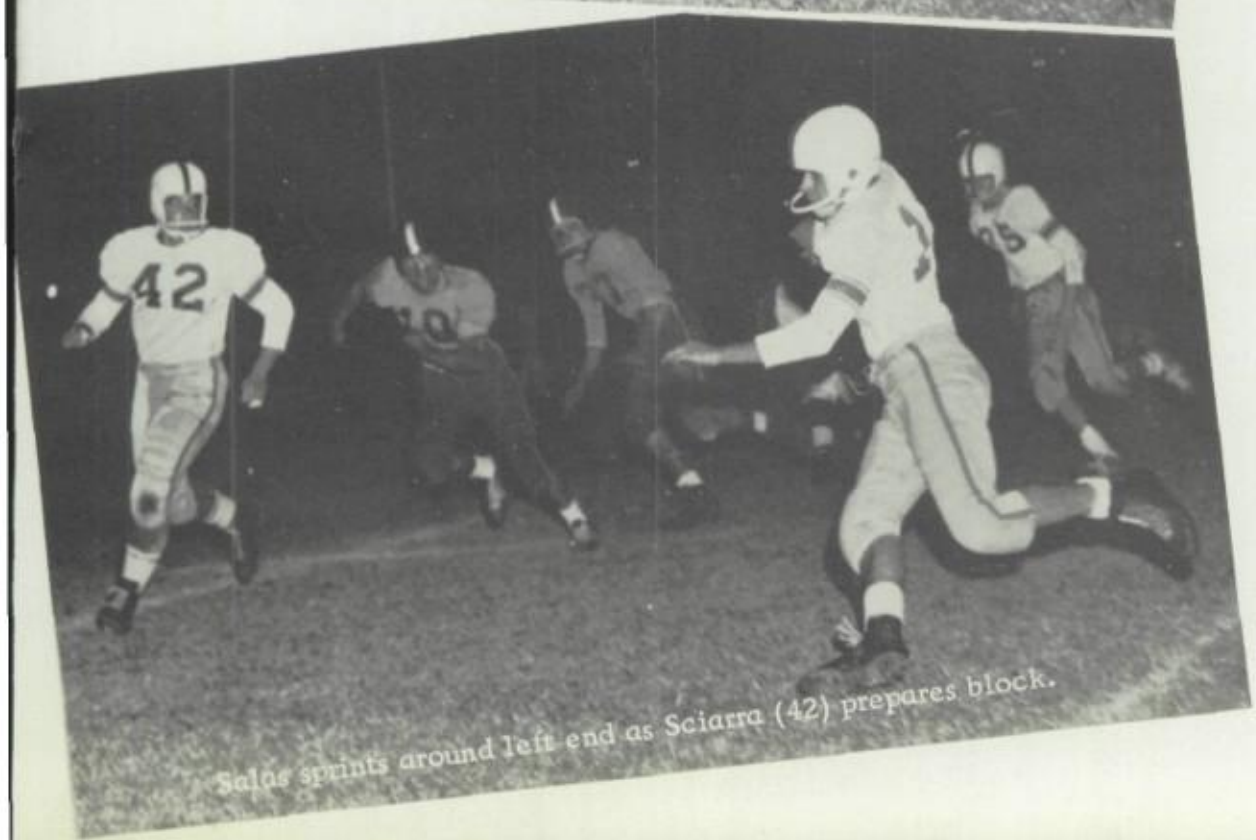
Navarro's kick clears easily for extra point.

Disarufino crashes way for T. D.



Salas sprints around left end as Sciarra (42) prepares block.

CANTWELL

.... Up To Win

This game had been postponed from Cathedral's second league game to its last, because of flu in the Cardinal camp. However, at this time Cathedral was no better off for the wear and tear of the season. Cantwell scored twice before the Phantoms could. Disarufino, side-lined for most of the first half, came off the bench to engineer the drive that gave Cathedral its only score of the evening. The Cardinals scored once more in the final period to put the game out of the reach of the Phantoms. Dave Pardo, had also been side-lined in the first half because of injuries. Cantwell's winning, 20-7 placed them in fourth in the league ahead of Cathedral. Ogata, Morales, and Disarufino made first string All C.L., Joe Sciarra, 2nd.

For the 5th straight year, Cathedral's Varsity again dominated the Catholic League and won All-Catholic honors. Led by 1st man, Mike Flores, and Rene Lopez, the varsity went undefeated. With four Sophs and two Juniors ending the season, this team shows great promise for next year. The Junior Varsity led by the outstanding running of Rudy C. Rodriguez took first in the Catholic League and in the Compton Invitational. Great credit is due to the excellent coaching of Mr. Manuel Corral, a former Cathedral track star, who took over for Brother Gene this year.

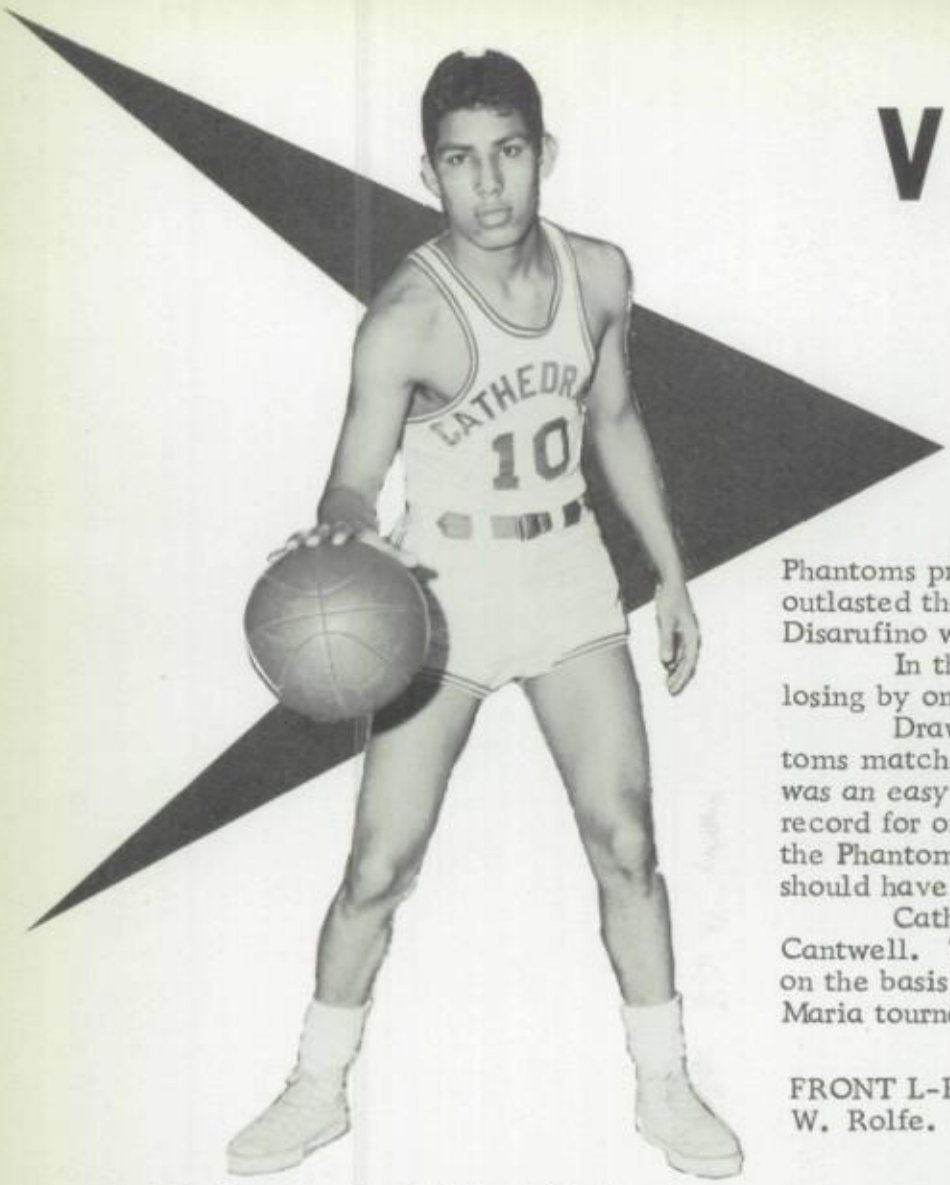
Varsity Basketball



All-Catholic Guard Robert Martinez,
16.4 average

Cathedral's Phantoms have every reason to be proud of their 1958 Varsity Basketball squad. Although they did not take the crown, it can be said that they were in every way equal to, if not better than the best of the Catholic League.

With the return of three of last year's first team which saw the upset of Carmel's great '57 squad, hopes were high for an outstanding season. In the pre-season competition proved too easy. It wasn't until the Mount Carmel Tournament that the real test came. The Phantoms proved no easy victims. Defeating Pius they took third while Cantwell outlasted the Crusaders to win the tourney for the first time. Bob Martinez and Raul Disarufino were chosen on the all-tourney team.

In the Edgewood Tournament, Cathedral went all the way to the finals, losing by one point to Covina but again showing their superior quality.

Drawing the toughest team in the league for their first encounter, the Phantoms matched Carmel's Crusaders for three quarters, but lost out in the last. Pius was an easy foe as Ross Fontes came within three points of tieing the school scoring record for one game with 36 points. It was the "foulest" night of the season when the Phantoms went down before St. Anthony's. All will agree that the Phantoms should have had this one, if it had not been for "circumstances".

Cathedral's greatest game of the season came against the Cardinals of Cantwell. The Cardinals were rated to take the Catholic League and the C.I.F. on the basis of a 15 game winning streak, and the winning of the Carmel and Santa Maria tournaments.

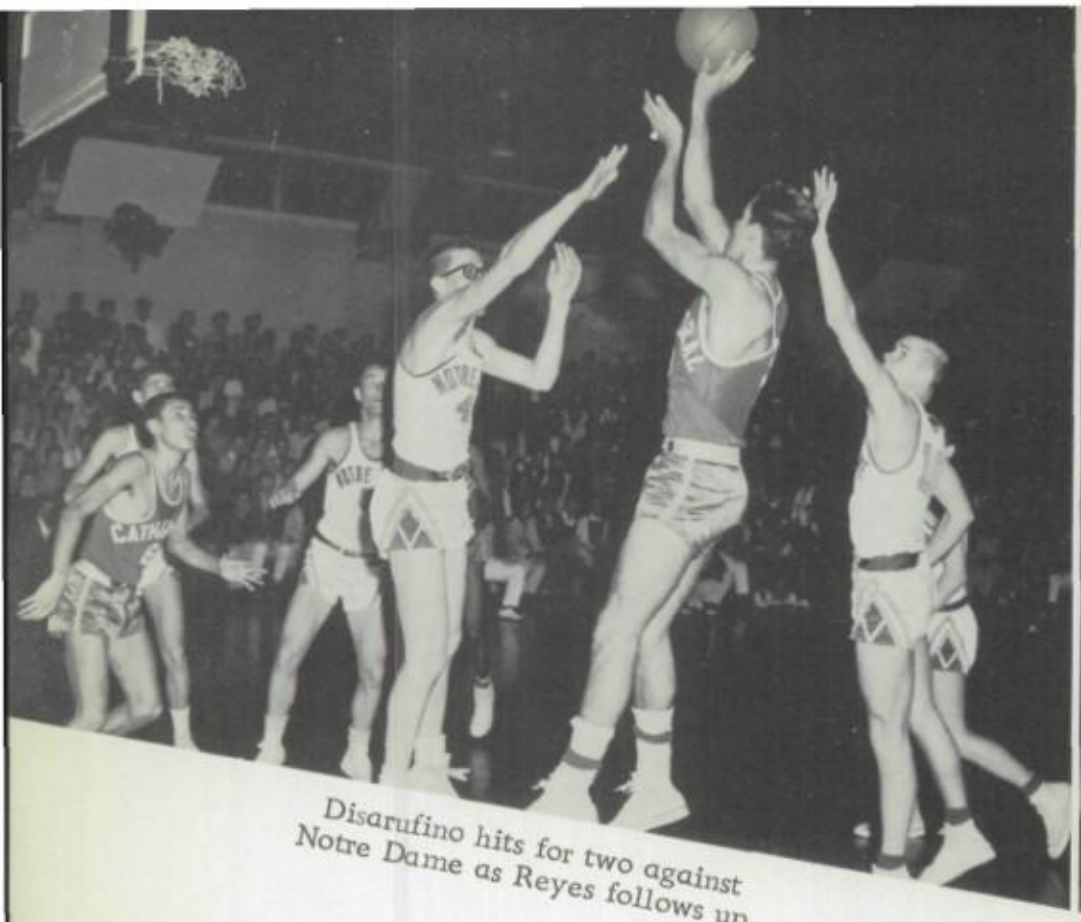
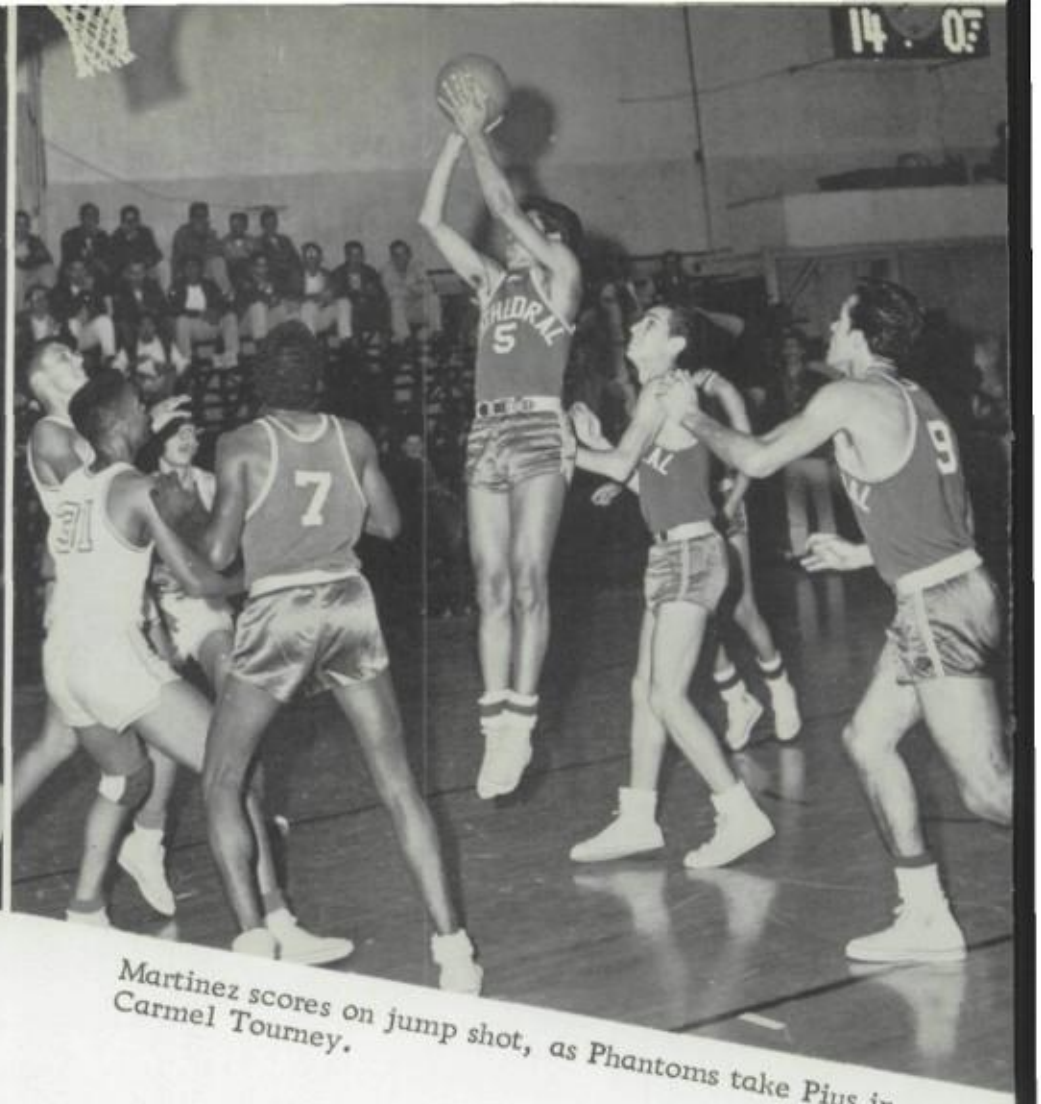
All Catholic Forward, Ross Fontes. 16.3 Average

Phantoms and Cubs stand hypnotized as ball goes free. Loyolans won first game but Phantoms took second.

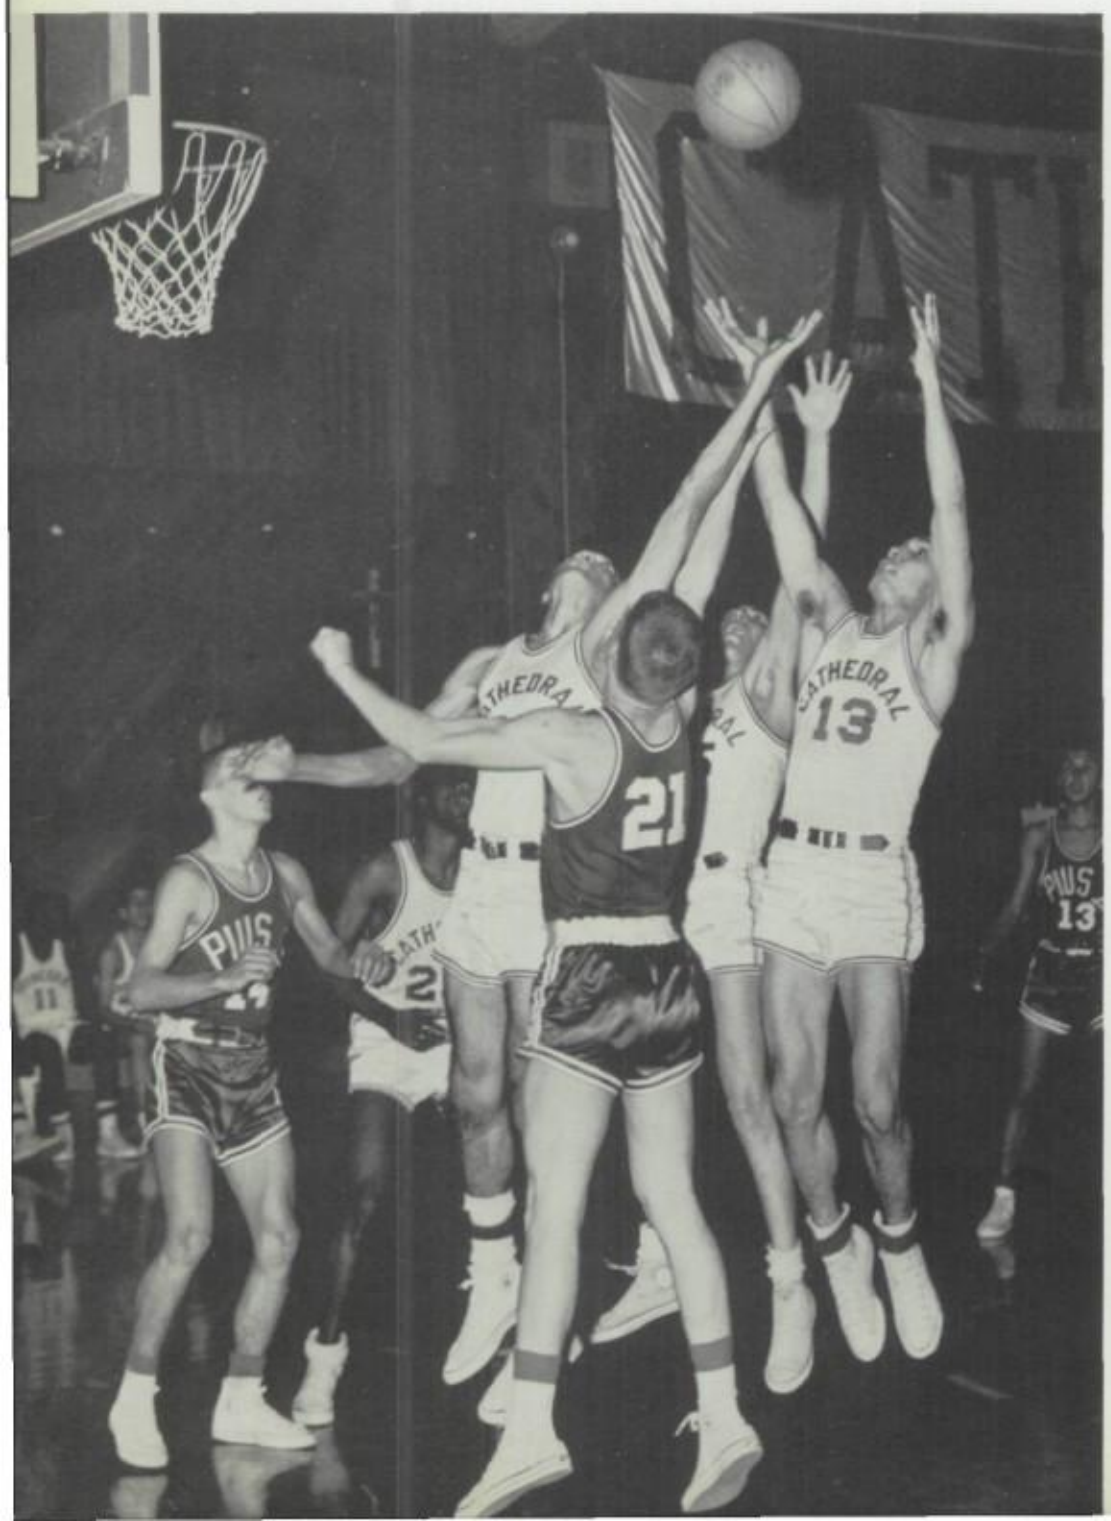


Disarufino hits for two against Notre Dame as Reyes follows up.



Martinez scores on jump shot, as Phantoms take Pius in Carmel Tourney.

Disarufino, Sandoval, and Fontes take rebound against Pius X.



Taking Serra and Notre Dame in easy stride the big game came against Loyola, Cathedral's arch rival. At this time the Cubs were the league leaders and had everyone scared since they had defeated Carmel and had lost by only one point to Cantwell. A packed house saw the Phantoms take an early lead but the Cubs were tied at half-time. Throughout the third and fourth quarters the scoring was close. In the last three minutes the Phantoms led by only one point and with Loyola's Conkey on the bench because of fouls the game reached its climax, but only with the tide turning in favor of the Cubs.

Facing Carmel once more the Phantoms were still in the running and were determined to avenge their earlier defeats. Carmel's gym took its toll as Spider sprained an ankle when he ran into the stage. At this time the Phantoms had the Crusaders on the run, leading by six points. From here on it was tight and in the last few minutes Cathedral still led, but with Fontes and Martinez fouling out the game went in Carmel's favor.

St. Anthony's proved tough again the second time but the Phantoms fought on to win by one point.

Cantwell was avenged but not until they had subdued a last minute surge which saw the Phantoms come within one point of again defeating the Cardinals.

Long remembered will be the last game of the season which proved to be a great ending. Both the Cubs and the Phantoms with no chance for the crown battled for third place. The game was close, not moving more than two points for either team, until the last few minutes. In the last half-minute Loyola led by one point but the Phantoms took control of the ball and on a quick lay up by Ross Fontes the Phantoms went ahead to win.

Robert Martinez will certainly hold his place among the greats of Cathedral's basketball teams. Having played varsity for three years and winning All-Catholic honors for two he will number among his superior skills dribbling, shooting, and team leadership.

Ross Fontes came "alive" this year proving to be a top scorer in the league and thus winning All-Catholic honors. The speed and trick shots of "Spider" Rolfe kept the Phantoms going at tight spots. Raul Disarufino's rebounding and aggressive play was a key factor, and along with the smooth ball control of Ray Reyes leaves promise for another successful season in '59.

Under the mentorship of Mr. Ernest Simon and Mr. Lionel Sandoval, Coaches, the 1958 version of the Cathedral Track team made a reputable showing this year.

At the time of the last deadline in March, the spikers had encountered rough competition in the form of St. Francis, Mira Costa, and Burbank. Beginning the league, the Phantoms rolled over Mt. Carmel.

Defending champions this year, the squad was out to take their third trophy in four years. Expected to lead the spikers to victory were Ray Cueto, four-year letterman, outstanding in the high jump and hurdles; Cueto had the best time in the CIF for the 70-yard-high hurdles; Kenny Ogata, low hurdles and 220; Rene Lopez, 440 and relay; John Diaz, 880. Diaz finished third in the CIF 660 finals last year; Mike Flores, first man on the cross-country team, 440 and mile; Walt "Spider" Rolfe, broad jump; Joe Sciarra, shot put; Rene Rivera, 100 and 220; Sam Navarro, 100 and relay; Carlos Mancillas, 440.

ORGANIZATIONS

Lourdes, a marvel of organization; out of simple rock a church has risen. Out of the spot where Bernadette dug for water, a shrine has been erected. All of these, simple beginnings, come to present grandeur.

Cathedral, through its organizations, strives to incorporate Christian leadership into its students. From boys, men are made. From hands, difficult tasks are done. Through the Marian Society, YCS, and other organizations, Our Lady is honored, and through her, God.

Led by Thomas Martinez, student body Vice-President, the Cathedral High Student Council, consisting of student body officers, class presidents, activity and organizations leaders, met bi-weekly during the school year to coordinate and initiate student body activities.

Numbering many among its worthwhile projects, the Student Council formed and prudently utilized the Cathedral High Student Court. This democratic form of government had as its objective to discipline, through well-directed student judgment, individuals who violated the principles implied in the Spirit of Cathedral. This proved to be so effective and impressive that it made other schools aware of Cathedral's Student Government, its purposes and its functions.

CSF

CALIFORNIA SCHOLARSHIP FEDERATION

"Scholarship for Service" and the stimulation of interest through out the school concerning the importance of a high scholastic standing is the goal so successfully attained by the CSF this year, under the presidency and moderation of Richard Hernandez and Brother Gordian.

To start off the year, a forum on "College Life" was held with local high schools in October. Tours of a science laboratory and a trek to the Huntington Art Gallery of San Marino were next on the schedule. Closing the year, Cathedral's Honor Society presented the largest academic forum in Catholic League History, with Darryl Hickman, motion picture and T.V. star, and a Cathedral alumnus himself, as guest speaker. Every Catholic League member school and eleven girls' high schools participated.

The honor of being a life member in the CSF is the highest award of merit that the Society may bestow. Led by President Richard Hernandez, other CSF'ers who received Life membership were: Fernando Sanchez, Vice-President; Wayne Dance, Secretary, Larry Yamamoto, Ted Tsukahara, Tony Abdalla, and Oscar Valdivia.

Regular activities sponsored by the CSF are: the annual Parochial Grammar School Academic Contest, Frosh week academic contest, and the awarding of a plaque to the homeroom possessing the highest scholastic average in the school for an academic quarter. To enable the awarding of a small scholarship to a deserving senior, a popcorn machine was set up this year by the Society.

Block C

The Block C, under the guidance of its moderator, Brother Luke, turned in a rather successful year. The agenda began with the athletic events of Frosh Week and the Intra-mural basketball, copped by class 9-3. All home games of the JV Football team featured assistance by the Block C. Initiation followed football season, and the club membership was bolstered to 39 lettermen. All home basketball games brought the Block C in as ushers and parking lot attendants. Road games were not forgotten, however, as the club mimeographed directions to games and posted them throughout the school.

Under the leadership of John Hayes, President, Norbert Ruiz, Vice-President, and Martin Morales, Sgt-at-arms, the Block C continued its activities in the spring by initiating a new intra-mural program of volleyball, the first such sport to be held in 'mural ranks. The Annual Grammar School Basketball Tournament, captured this year by St. Bernard's parochial school, was held in March by the association.

Assistance at all home track meets concluded the year's athletic program for the club. Social activities included a picnic and initiation, which bolstered membership for next year's Block C.

Because of its position in the school, the Circle "C" must be a sharp, active club throughout the entire year. In the many and varied jobs performed, it commands much respect from the student body. As the service club of the school, it must take charge of keeping order along the halls, in the cafeteria and the gym. It must assist at the dances by parking cars, serve refreshments and clean up afterwards. All special functions, such as the Fiesta, Queen's Ball, and Spring Concert, during the year ran smoothly and successfully through the help of the Circle C.

This year, because of the splendid cooperation of the student body, the faculty, and the members themselves, the work of the club was very efficient. Through the leadership of Robert Bieggar, President, and Brother Daniel and Brother Armand, moderators, the Circle C retained its place of honor and respect among the school clubs.

Circle C members serve at annual Queen's Ball.

Band

Under the direction of Mr. James Cronin, the Cathedral High School Band was featured at this year's rallies, the Christmas Party for the Parents' Club, and the Annual Spring Concert, held in April.

Although this is his first year as director of the Band, Mr. Cronin nonetheless did a creditable job in producing musicians through constant practice and performance. Along with the dance band, the regular band excelled at the Concert. "Around the World in 80 Days" was the featured number. Tom Howard, Senior Trombonist, was Student Conductor.

Glee Club

Under the direction of Brother Kenneth, the Cathedral High Glee Club contributed a musical note to many of this year's activities. At rallies, at assemblies, and in practice, the stentorian voices of the basses and baritones, mingled with the lilting voices of the tenors, filled the air with melody and rhythm.

Every year, the Spring Concert is the crescendo for the glee club; this year, songs like "the Little Wheel" and "Jump Down," "Spin Around" were featured numbers.

Some other highlights of the year for the school vocalists were an appearance on KTLA-TV, the parents' Christmas Party, and the Annual Night Rally. Outstanding solists were: Lee Rollins, Jess Chavez, and Frank Onate. Robert Brockmeier was accompanist.

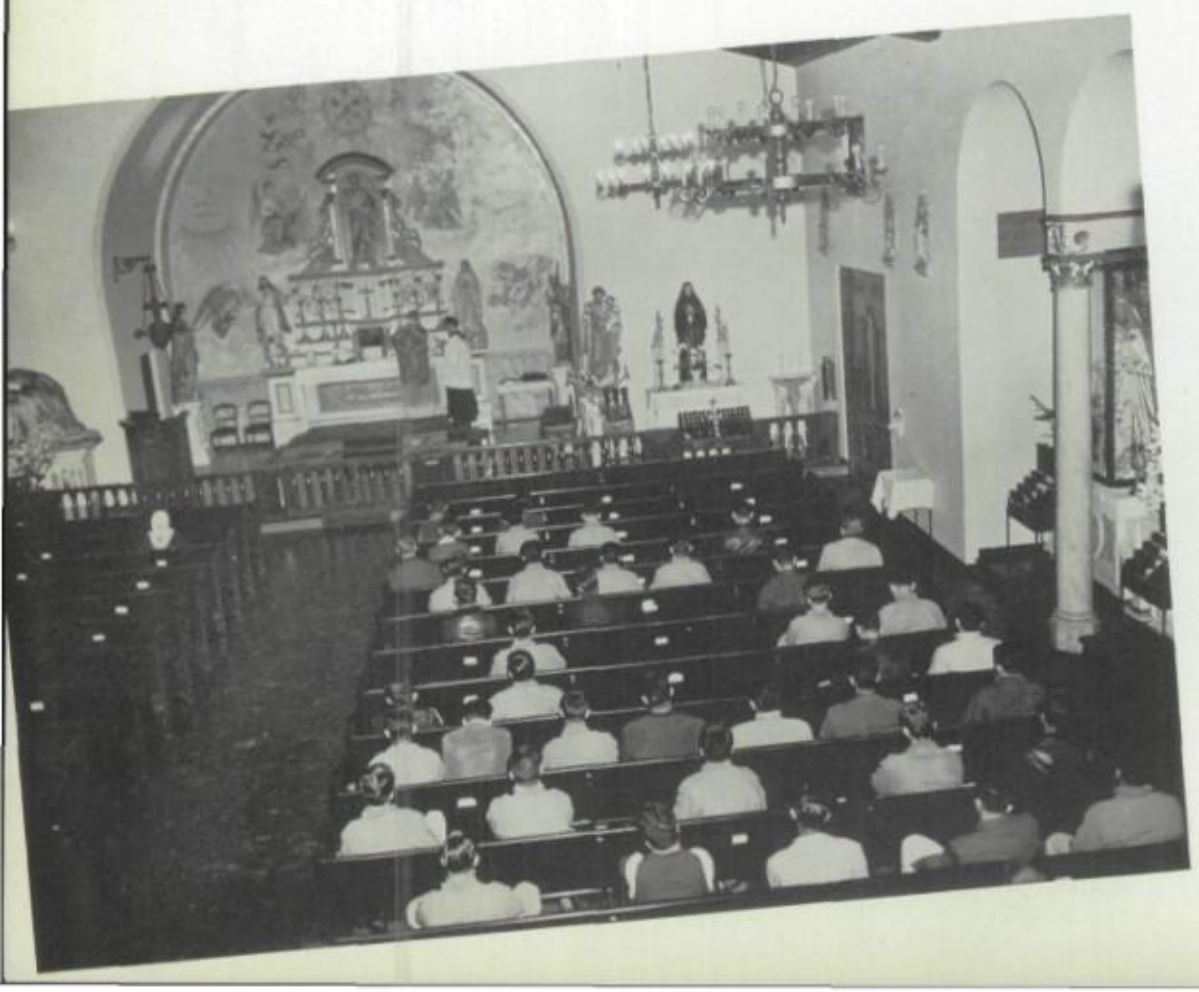
Marian Society



In November and May, installation ceremonies added new members to the society. Most notable among its varied activities in the school's catholic action leadership were the forums held with other schools. In November, a successful forum was held with Immaculate Heart High School. In December, a forum was conducted at Holy Family High School in Glendale, the subject being "Leisure Time"; other forums with Sacred Heart and OLQA soon followed.

Through the various committees, such as the missions, servers, sacramental, and publicity, the members of this society devoted to Our Lady were of service to the student body.

To coordinate the various workings of the Marian Society Council, the Committee chairmen, Larry Yamamoto, Ted Rios, Ray Reyes, and Frank Salas, were under the leadership of Fernando Sanchez, John Diaz, and Norman Summerfield - President, Vice-President, and Secretary, respectively, and the excellent guidance of Brother Claude, moderator.

Meeting every day during the activity period and after school, this year's CHIMES Yearbook staff spent many hours in making this year's book a reality. Some of the outstanding features of the '58 Annual are: The theme-Our Lady of Lourdes in the centenary year, paste-ups done by the Editors themselves, enlargement of the book to 160 pages, outstanding artistry for divisions, special events, full pages for lower classes, some spot color and the dedication to Brother Bertram.

Under the moderation of Brother LaSalle, the outstanding members of the staff this year were: Peter Salcido, Frank Salas, George Flores, Mike Pickering, Ramon Cruz, Fernando Sanchez, Julio Ortego, Peter Rock and Ed Valencia.

Richard Distefano, Editor-in-Chief

Among the many and varied activities found on campus the fourth estate has a large following. Heading the staff this year were Richard Distefano and Robert Holguin. They had the unenviable position of putting together one of the best pieces of journalism in the state. Assisting them in their task were the departmental heads: Dominic Ferrante-Features, Ray Duran-News, and Louis Guapo-Sports. The format of the Chimes this year was noted for its timely feature and news articles, and received commendations from the Chamber of Commerce, the Los Angeles Dodgers, Los Angeles City College Journalism Meeting, and the Saint Mary's College Press Convention. The Chimes boasts a national and international-wide circulation. Many members of the journalism staffs of higher institutions are graduates of the fine coaching given them by moderator, Brother Patrick.

An integral part of the journalistic program is participation in the Examiner SSA, boasting this year five Cathedral members, one of whom, Bob Alesi, was Associate Editor of this high school section of the Examiner. Rounding off the list of journalistic endeavors was the publication of the PHANTOM KICKOFF, a football program edited by Dominic Ferrante, Ted Tsukahara, Ray Duran, and Louis Guapo.

Speech

"Resolved...All United States Foreign Aid should Be Administered through the United Nations..."was a familiar resolution to this year's members of the Cathedral High School Speech and Debating Group. Its constituents gather experience in public speaking and order of thought and logic.

Under the moderation of Brother Gordian, the group entered many speech contests, such as the Carrolton Club, the St. Mary's College Convention, and the Southern California Debating League, and garnered not only experience, but also various honors: Ted Tsukahara, four-year club member acquired commendations from various contests; Seniors Edward Olivarez and Wayne Dance and Freshmen Wojtek Makowski and Richard Cruz received certificates of achievement for their forensic abilities; Richard Hattori attained a gold medal; Senior Ray Padilla won two gold medals for his oratorical interpretation of Clarence Darrow's "Plea For Justice"; Richard Hernandez, another four-year member of the group, achieved notable distinction in receiving a trophy from the Lions Club.

Other hard-working veterans of the group were Carlos Uranga and Lawrence Yamamoto.

To meet weekly under the direction of a moderator and discuss problems of the teen-age environment, particularly of the school, and to prudently ACT on OBSERVATIONS AND JUDGMENTS is the purpose of the Cathedral Section of the Young Christian Students Movement, better known as the YCS.

Using the tools of the Gospel and Social Inquiries, the YCS strives to influence its environment in a Christ-like way, to serve, educate, and represent every teen-ager in the collective environment, which is most commonly the Student Community.

At Cathedral, the YCS this year was composed of three groups: the Student Leaders group, which discussed school problems; the Senior Council, which considered Senior activities and problems; the Junior Class group, which discussed Junior class problems. These groups, which acted on their findings through various means, had as moderators Brother Gene, Brother Kenneth, and Brother Daniel.

Cathedral's YCS sent speakers and delegates to the Summer Conference at Idylwild, the Winter Workshop at Romona Convent, and to the March and November Rally-Days, held at St. Agnes and Providence Highs.

Richard Hernandez and Fernando Sanchez were delegated to represent Cathedral at the monthly YCS Federation meetings, held to unite all the sections of the Archdiocese.
